Day 1 (Friday 22nd December)

Our meet and greet concierge service will welcome you upon arrival mid-afternoon with the smell of mince pies and mulled wine before being shown around the property. The stunning Christmas tree, lights and decorations will transport you into the festive spirit. Dedicated staff will help you bring in your luggage and unpack groceries. As you settle into Dryhill, relax and unwind with your loved ones before enjoying a meal prepared by our chef for you to simply reheat in our Aga, accompanied by the estate's very own newly released 2020 Classic Cuvee sparkling wine.

Day 2 (Saturday 23rd December)

Explore the surrounding grounds, taking in a visit to the estate's vineyard as well as a walk around the lake. Today, choose from one of our recommended experiences such as a festive mixology experience in the Moroccan bar, wreath making in the Roman cellar or a visit from Santa himself for the children. We can also recommend a number of places to visit locally in the surrounding areas of the Cotswolds should you wish.

Day 3 (Sunday 24th December - Christmas Eve)

Our full-time private chef and host will arrive today to prepare all your meals over the next 3 days, starting with breakfast today. We will arrange beforehand any special requests or allergies. Later in the day, choose another of our experiences and later, in the evening, enjoy festive canapés followed by a 3-course lavish dinner.

Day 4 (Monday 25th December - Christmas Day)

The smell of fresh pastries, panettone and a delectable Christmas buffet style breakfast will be ready for you to help yourselves before or after you exchange your gifts. Enjoy a lovely long walk to work up an appetite for a traditional Christmas lunch with all the trimmings followed by your choice of pudding.

Day 5 (Tuesday 26th December - Boxing Day)

There is plenty to do here on the estate to complete your final day. After a glass of Bucks Fizz, enjoy a sumptuous Boxing Day brunch. Then why not relax in the hot tub, play some family board games or watch Christmas movies in our cinema room. Or if the weather sees fit we have also have boules in the Italian garden. Finally, join the chef in the kitchen this afternoon for a cooking demonstration, accompanied by a showcase of the area's local delicacies from the world-class Cotswolds produce.
